IMPORTANT TRAFFIC SCHOOL ATTENDANCE INFORMATION

A court may refer a driver to traffic violator school at any time. However, California Vehicle Code Section 1808.7 mandates that only one conviction in an eighteen (18) month period be masked from public view on your driving record. The eighteen (18) month period is calculated from citation/violation date, not class attendance date. Courts are required to adjudicate all major (2 point) violations; courts are prohibited from sending drivers who commit major violations to violator schools for the purpose of masking a conviction.
